1 pair 6 mm (UK 4 - USA 10) Rico  
knitting needles

Check your tension – if fewer stitches use thinner needles, if more use thicker needles. It is essential to work to the stated tension to ensure the correct size of garment.

**Important** - To ensure accuracy only Rico yarns should be used. No responsibility will be taken for the result of using any other yarns.

### Tension

18 sts and 18 rows to 10cm (4 in) over patt using 2 strands of yarn (one of each quality) on 6 mm needles or the size required to give the correct tension.

### Note

The yarn amounts stated are based on average requirements and are therefore approximate. After casting off one stitch will remain on the right hand needle which is not included in the instructions that follow.

### Stripe sequence

Work 64 cm (25 ¼ in) in D and H  
64 cm (25 ¼ in) in C and E  
64 cm (25 ¼ in) in B and G  
64 cm (25 ¼ in) in A and F

### Scarf

Using 6 mm needles, thumb method and 1 strand each of D and H, cast on 54 sts. Working in stripe sequence as given (throughout) proceed as follows:  
1st row (rs). Kt1,\* p1, k1; rep from \* to last st, p1.  
2nd row. Sl1p wyif, p1, k1; rep from \* to last st, p1.  
The last 2 rows form patt. Cont in patt until scarf measures 256 cm, 101 in, ending with a rs row. Cast off in patt.

### Scarf

Weave in any loose ends. Cover with a clean, damp tea towel, pull into shape while damp and leave until dry. See ball band for washing and further care instructions.
